

Importing a Document

Download from an email: Open the email on your iPad, tap on the attachment and then select “Open in Abilipad”.

Download from Dropbox: Tap , tap Dropbox, then select the file. Notepads are delivered singly on the home page, whereas keyboards are delivered in a “New Folder” because multiple keyboards may accompany a notepad.

Download from Abilipad library: Tap , select Abilipad Library, browse through the library. Tap to view selected files. Tap DOWNLOAD.
