

## Sharing Your Work

**Share a notepad:** If a notepad is inside a folder, first tap the folder to open it. Tap  , select the notepad, then  via email or Dropbox.

**Share a keyboard folder:** Tap  , select the folder, then  via email or Dropbox . This function applies only to keyboard folders, not notepad folders.

**Share your work online:** If a notepad is inside a folder, first open the folder. Tap  , select the notepad, tap  , then tap Abilipad Library. Complete all the fields, then tap SUBMIT.

### *Important Notes:*

- *These are Abilipad files. Therefore **only** Abilipad users will be able to open and download them on their iPads.*
- *In notepads, under  , there is an option to email the notepad text and pictures.*
- *If a Notepad has a corresponding keyboard or keyboards, they will be sent together.*
- *Shared files are reviewed and edited (if necessary), before being posted online where other users can download it. Only share your own original work.*
